Topic 5: Promoting Your Healthy Teeth Message

Level: P-2

Purpose

The purpose of this topic is to have students use what they have learnt about keeping teeth healthy, to educate others.

Activity

In this topic students will be asked to design and produce a poster that will educate others in their community about some aspect of dental health.

To commence have the class watch *Video 5.1 - Creating a Poster About Dental Health* - outlining some general tips on how they can create an impactful poster.

The video will also have students considering how they might promote their dental health poster to their community.

A range of ideas have been presented in this video. Which ideas are adopted by the students is at the discretion of the teacher, the resources available and time allocated to this activity.
