Level: P-2

Purpose

The purpose of this topic is to have students consolidate their understanding about what they have learnt and taught others about oral health.

Activity

To commence have the class watch *Video 6.1 - Trivia About Teeth* - introducing *IA 6.1 - Who Wants Terrific Teeth Trivia? Quiz* they are about to attempt.

Provide students sufficient time to complete the interactive quiz. You may choose to complete it as a class or allow students to work individually.

At the completion of the quiz run a class discussion about the experience with students. Clarify any ideas and questions they may have.

To end the unit have students watch *Video 6.2 - Dentist Danny and Dentist Donna Good Luck*.

You might want to spend some time asking the class about what they felt the keys learnings have been in this unit of work and how they might incorporate those learnings about dental health in their day-to -day lives.
