

Plan your story

Prompts

What is your name and how old are you.

How long have you lived here?

Tell me about your family?

Tell me about any pets you have

Tell me what it is like where you live. Tell me something you think others would like to know about where you live.

Tell me what you like about where you live

What is it like around your house? If I visited you, what sorts of things would I see?

Your story

My name is

I am

and this is my place.

Years old.

Tell me about what
your days are normally
like. School, friends.

Tell me about
activities you enjoy
doing

Tell me about your
days now that we are
spending most of our
time at home

Now that we are staying home all the time,

Are you working on
any special projects
while you are at
home?

Is there something
you are missing?

Is there something
you are looking
forward to?
