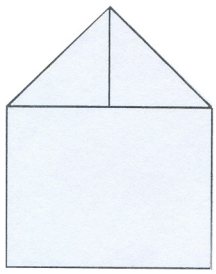
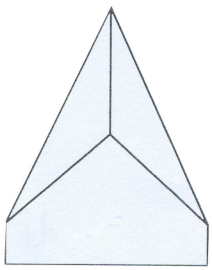
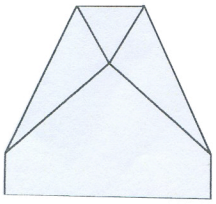
Start with the *Flynn* facing up.



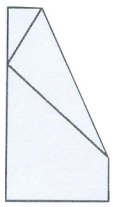
Fold the top right and left hand corners in along dotted line #1.



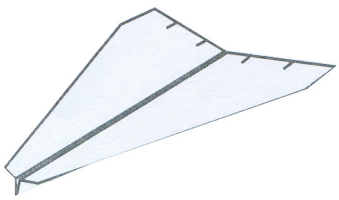
Fold the right and left hand sides in again along dotted line #2.



Fold the tip down and crease at dotted line #3.



Turn the paper over and fold along the centre dotted line #4.



Fold the wings on both sides along dotted line #5. To complete the plane, cut slits on the back of the wings to act as elevators.
